Memo and The Notebooks bring the energy to Tessora's Wine Bar!

On Thursday, August 28, 2025, from 8–10 PM, Tessora's Wine Bar in Campbell, CA, becomes more than a place to sip and unwind as Memo and The Notebooks bring their bold, genre-defying sound to the After Party Series.

Hailing from Santa Cruz and San Jose, Memo and The Notebooks

blend indie, punk, hardcore, and hip-hop into music that's impossible to pin down... and that's exactly the

"You guys are awesome! Totally reminded me of seeing the Beastie Boys"

point. Originally formed by Memo Renteria as a senior project at San José State University, the band has become known for nostalgic vibes, high-energy performances, and even a GameCube setup at their shows.

-NICEST OLDER DUDE AT ONE OF OUR SHOWS

Wine bars aren't usually where you hear music like this... but for one night, Tessora's becomes the heartbeat of Downtown, a place where the unexpected comes alive. The After Party Series is about turning ordinary nights into something memorable, and Memo and The Notebooks are here to do just that!

Experience a night that's bold, lively, and unforgettable.

THIS ISN'T YOUR TYPICAL WINE GIG.
